Solarway Homework Light

FEATURES

LED lights that can generate 40 lumens of light.
Technically evolved and advanced batteries.
Includes an integrated light stand and S shaped hanging hook.

ADVANTAGES

- Safe and easy to use.
- Light weight and very transportable.
- Water resistant.
- Light generates 40 lumens of light.
- Light can be pivoted and used in a variety of different positions.
- Can be used on a flat surface or hung from a hook.
- Comes with two light settings (high and low).
- Available in five different colours (red, blue, green, yellow and white).
- Ideal for use while studying!

BENEFITS

- Can be fully charged in under 12 hours.
- Provides up to 60 hours of light from one full charge on the low setting.
- Light will last for up to 1500 charge cycles meaning the batteries can last up to 5 years.
- Light generated much stronger than paraffin and candles.
- Light is also safer and healthier than paraffin and candles.
